

# CASE SHOOT - SEPT 4, 5 & 6, 2021

## SHELL AVAILABILITY

Due to the continuing shortage of shotgun ammo, we will have a limited quantity and selection of shells available for sale at the Case shoot. The quantity of shells sold to a shooter will be limited to the number of targets that the shooter has cashiered for. We are continuing to look for additional ammo and hopefully will locate some more inventory prior to the Case shoot.

We apologize in advance for any inconvenience.
