

# ATTENTION JUNIOR SHOOTERS!!

Effective September 19, 2012 Junior shooters who are dues paid junior members (or life members) of the Bradford Gun Club will shoot for ½ price. That is, if the regular trap target fee for members is \$5.00 per round then a junior member will shoot for \$2.50 A junior is a person who is under the age of 18.

The Board of Directors has made this change to help stimulate youth shooting while minimizing the cost of shooting to the junior member and their family.
