

SHELL AVAILABILITY

The Bradford Gun Club will have a limited quantity of 12 gauge & 20 gauge shells for sale at the Warrior's Ironman shoot.

Shell sales will be restricted to shoot the number of targets that the shooter has cashiered for. The maximum number of shells a shooter can purchase will be 5 boxes. The cost per box will vary depending on the shells being purchased as we have inventory from different sources.

We apologize in advance for any inconvenience, but we all are suffering thru this ammo shortage.
