

# WELCOME

March 2023

Dear Fellow Shooter,

We are pleased to once again send you the Bradford Gun Club Program of Events booklet. In addition to our registered trap shooting events, this booklet contains information on our Spring & Fall Ironman Shoots; Skeet League; benefit clays shoots; and much more. Please take a moment to review the 2023 complete Shoot Schedule shown on the inside of the front cover.

A special “Thank You” goes out to all of our advertisers and shoot sponsors who generously contribute to the production of this booklet as well as adding prizes to our sponsored shoots.

The Bradford Gun Club is open year round on Wednesdays from 4 to 8 PM and Sundays from 10 AM to 3 PM. On the days that we hold registered trap shoots the sporting clays course will be available.

There will be Special Events conducted on most of the handicap events at our multi-day trap events. Every effort will be made to hold live auctions as long as time permits. There will be no target requirements in 2023.

For shooters who have been to the Bradford Gun Club in the past, we thank you for your patronage and we look forward to seeing you again in 2023. We are anxious to meet and welcome shooters who are new to our Club. Let's all hope for great weather and great shooting in 2023! Please visit our website at [www.bradfordgunclub.com](http://www.bradfordgunclub.com).

Sincerely,

The Board of Directors

**CLASS/YARDAGE ADVANCEMENT.** Any shooter who wins or ties in a 16 Yard or Doubles event shall be increased a minimum of one class. Shooters earning yardage must get their card punched before participating in their next handicap event.

**CURRENT MEMBERSHIP.** Please make sure you are using your current ATA membership card showing your correct address and assigned handicap yardage.

## GENERAL INFORMATION

**SPECIAL CATEGORY DECLARATION.** In accordance with ATA rules, all declarations of a special category, that is, Lady, Veteran, Senior Veteran, Junior or Sub-Junior must be declared at the time of entry. In accordance with new ATA rules, should a shooter be eligible for a trophy in addition to a category trophy the category trophy will be considered superior. A shooter may win only one trophy per event.

**TARGET REQUIREMENTS.** Due to the continuing shortage of ammo and the rising costs of participating in shooting events, there will be NO minimum number of targets required at 2023 ATA registered shoots. However, a shooter is still responsible for keeping their average card up to date and accurate. This average card must be presented at the Classification desk and will be used to classify a shooter along with "known ability".

**TARGET/SHOOTER SERVICES AND FEES.** The price of targets and shooters services will be \$35.00 per 100 for registered targets. Practice trap targets will be \$5.00 for 25 singles or handicap targets, \$4.00 for 10 pair of doubles targets. Tokens for the practice trap must be purchased at the office before proceeding to the practice trap. The daily fees are \$5.00 (\$3.00 for the ATA and \$2.00 for the PSSA).

**TELEPHONE.** There is a telephone in the office where you can be reached in an emergency. The number is (814) 368-6245. This phone is not for outgoing calls.

**WEBSITE.** Please visit BGC's website at [www.bradfordgunclub.com](http://www.bradfordgunclub.com).

**YARDAGE REDUCTIONS.** Handicap reductions received by a shooter during the course of the shoot shall be honored. However, the shooter must have his card in his possession and present it for reclassification.

*Good luck to all  
Bradford Gun Club  
shooters!*

# ATA REGISTERED OPEN TRAP SHOOT

## ***JUNE 25, 2023***

The sponsors will generously give away 3 flats of shells each to two lucky shooters from Event #2 — the Handicap event. To be eligible to attempt to win the shells the shooters must abide by the following rules:

1. The shooter must have competed in event #2 — Handicap.
2. Upon completion of the event, BGC representatives will randomly and publicly select two numbers from zero to nine. Be sure to check your scores promptly. For purposes of this shoot-off, no scores will be changed after the two numbers are drawn.
3. Shooters with a score ending in the numbers selected will be eligible for the shoot-off. For example: if one of the numbers is a 2, then all scores ending in a 2 will be eligible for the shoot-off (e.g. 92, 82, 72, 62 etc.).
4. All shooters who have signed in to shoot-off will be assigned to shoot-off trap(s) and should have their guns and shells ready.
5. Shoot-off participants will proceed to shoot two shots from each post for a total of ten targets. All targets must be shot from ATA assigned yardages. Shoot-off rounds of ten targets each will continue until the three winners are determined.
6. Decisions by shoot management regarding the above listed rules, or other disputes, shall be final. All decisions will be made in conformity with ATA rules.
