

ATTENTION SHOOTERS !!!

The final ATA registered shoot for calendar 2026 at the Bradford Gun Club will be on Sunday, September 27. The unique program for this shoot is different than most. Event 1 will be 100 Handicap targets, then Event 2 will be 50 pair of Doubles. The third and final event will be 100 Handicap targets. The normal options, such as, Lewis Class, 50s, 25s, Wolf Purse, Mid 50s, etc will be offered.

It is important to note that the high score on the Mid 50 in the Event 3 Handicap will claim any balance in the Mid 50 purse. It does NOT have to be a 50 straight. Entering the first Handicap event there is already \$424 in the Mid 50 purse as it was not claimed during the recent Case shoot.

To make things more interesting there will be a Calcutta on the combined scores of the two Handicap events. This Calcutta will be auctioned off at 10 :00 AM and Event 1 will start as soon as the auction is completed. The office and registration for the Calcutta will open at 9:00 AM.

Hopefully the weather will cooperate and the unique format, Calcutta and large Mid 50 purse will attract a large number of shooters. Any questions, please contact Mike Schuler at 814-598-2186
